## Introduction

The Royal National Throat Nose and Ear Hospital and the Eastman Dental Hospital are moving to a new location in October 2019.

All services except theatres, wards and sleep diagnostics are moving.

The new location is a brand-new facility on Huntley Street. It is called the Royal National ENT and Eastman Dental Hospitals.

### **Our new address will be**

Royal National ENT and Eastman Dental Hospitals  
47-49 Huntley Street  
London  
WC1E 6DG

Please see the maps on the back page of this leaflet.

## When does the new hospital start seeing patients?

Eastman Dental Hospital services open at the new location on 1 October 2019.

The Royal National ENT Hospital outpatient clinics open at the new location on the 7 October 2019.

## What does the move mean for me?

We will continue to provide all services, from a different building.

You will see the same clinical team and receive the same care and treatment, but in a modern purpose-built environment.

## Theatres, wards and sleep diagnostics

Theatres, wards and sleep diagnostics will remain at the Royal National Throat Nose and Ear Hospital on Gray's Inn Road. They will move to different UCLH centres in 2020, when our new short stay surgery facility opens.

## Travelling to the new location

Huntley Street is close to Euston, Warren Street and Goodge Street Underground Stations and there are bus stops nearby.

For information about patient transport, parking and blue badge parking please visit the UCLH website:

[www.uclh.nhs.uk/ENTandDental](http://www.uclh.nhs.uk/ENTandDental).

## What do I need to do?

We will let you know if the location of your next appointment changes.

Please make sure you check this so you go to the right place.
