

Alert!

The Medicines and Healthcare products Regulatory Agency (MHRA) is asking that people, who use

‘ZeniPower mercury-free hearing aid batteries’

should check the ‘Best before’ date on their packs due to two defective batches

! If your ZeniPower batteries have ‘Best before’ dates of:
08.2018 or 09.2018, do not use them and dispose
● of them in any battery recycling facility.

NO other batches of hearing aid batteries are affected.

If you have any concerns please contact:
