---

### How to refer adult patients with suspected infection

<table>
<thead>
<tr>
<th>Referral Route</th>
<th>Details</th>
</tr>
</thead>
<tbody>
<tr>
<td>A&amp;E</td>
<td>Call 07908 250924 and send patient to A&amp;E with a letter</td>
</tr>
<tr>
<td>HTD emergency walk-in clinic (M-F, 9am-4pm)</td>
<td>Patients can self-refer: 2nd Floor, Mortimer Market Centre, Capper St (map)</td>
</tr>
<tr>
<td>Rapid Access Infectious Diseases clinic (RAID)</td>
<td>Email referral letter to <a href="mailto:uclh.htdraid@nhs.net">uclh.htdraid@nhs.net</a> +/- call 07908 250924 to discuss</td>
</tr>
<tr>
<td><strong>New</strong> referrals to OPAT</td>
<td>Email referral letter to uclh.OPAT@<a href="mailto:HTD@nhs.net">HTD@nhs.net</a> +/- call 07908 250924 to discuss</td>
</tr>
</tbody>
</table>
| Non-urgent review | Choose and book (preferred)  
Or email referral letter to uclh.htd@nhs.net |
| Travel clinic (pre-travel advice) | Complex commissioned patients (chronic medical problems, allergies, pregnant, over 65 years, children): email referral letter to uclh.htdtravelclinic@nhs.net Or otherwise healthy individuals can self-refer by phoning 020 3447 5999 |
| Post tropical screening (asymptomatic patients) | Email referral letter to uclh.htd@nhs.net |
| 24 hour phone advice | 07908 250924 |

Please note: referrals can be faxed or posted but this can lead to delays in the patient being seen in our clinic. It is not therefore our preferred route for referrals.

*all cases of suspected malaria should be seen in hospital for a same day malaria film*
<18 years old

Immediate Review
Includes all cases of suspected malaria*

May need admission?

Yes
Paediatric A&E

No
